TRIPS

Joining us for a week long trip is an immersive experience. Our goal is to lead your people through experiences that will transfer to your context. We are praying your people will live on mission everyday where they live, work, and play.

TRAINING

We want to assist you in helpful ways so that you can go further in the amazing things you're already doing in your community. When you partner with us, you have the chance to gain experience that could help you expand your ministry back home.

STORIES

By partnering with us, you'll have constant exposure to Gospel Life-change stories from America's least religious city. We pray your people will be inspired to walk with new gospel confidence in your community.
